

Kenya AA Coffee

Pack Size - 375 Grams

We carefully taste and select the finest Kenya coffee beans available from Kenya's premier coffee growing regions. Our experts lovingly roast them to a nutty chocolate brown color to bring out the spicy rich aroma and complex cabernet-like acidity unique to Kenyan coffee. An intense, balanced coffee with a light, clean finish; perfect for drinking at home as your daily brew. Discover why Java medium roast is considered among the world's finest coffee.

Available Ground or as Beans

Arabica Kenya Blend

Pack Size - 375 Grams

Our Arabica Kenya is a coffee blend of the best quality coffee produced in Kenya. Our coffee experts lovingly and carefully roast the blend to bring out the special flavors that make Kenyan coffee one of the most sought after globally. Smooth, balanced coffee with a light, clean finish; perfect for your daily brew.

Kenya AA Coffee

Pack Size - 375 Grams

Made from a selection of Kenya's green coffee beans, the darkest roast brings out an exceptional body and richness producing a smooth, velvety espresso. We recommend this coffee for use with all commercial or home espresso machines and for those whose palates prefer heavier-bodied coffee associated with darker roast. Perfectly enjoyed on its own or enjoyed as the base of great milk beverage; cappuccino, latte, mocha etc.
